PROFESSIONAL SUMMARY Computer Science Undergraduate with international academic experience in Taiwan. Combines 3+ years of high-volume hospitality operations with strong analytical and problem-solving skills. Seeking to leverage technical aptitude and adaptability in a commercial or technical support role.

EDUCATION **University of Leicester** | BSc Computer Science (Expected 2026)

- **Study Abroad:** National Taiwan Normal University (2024–2025). Adapted to a new academic culture, developing cross-cultural communication skills.

Northolt High School | London (2021)

- **A-Levels:** Computer Science, Physics, Mathematics.

TECHNICAL SKILLS **Languages & Tools:** Python, Java, C++, HTML/CSS, SpringBoot, Lua, SQL, Git.

KEY ACADEMIC PROJECTS

- **Software Engineering Group Project (Java/Spring):** Collaborated in an Agile team to build a full-stack web application. Managed version control (Git), implemented RESTful APIs, and conducted unit testing (JUnit) to ensure 99% code coverage.
- **Mobile & Web Application (Android/Java):** Developed a responsive mobile application focused on UX design. Implemented persistent data storage and secure user authentication protocols.
- **Database System Design (SQL):** Designed a normalized relational database schema for a commercial use-case. Optimized queries for performance and ensured data integrity through rigorous constraint testing.
- **Advanced C++ System (C++):** Built a high-performance application utilizing manual memory management (pointers/references) and the STL to optimize resource allocation.

EXPERIENCE

O2 Academy | Bar Staff | Leicester (01/2023 – 07/2024)

- Processed high-volume orders in a 2,000+ capacity venue during live events, maintaining accuracy under extreme time pressure.
- Coordinated real-time inventory replenishment with management to ensure product availability across all stations.
- Executed comprehensive closing-down procedures and stock reconciliation, ensuring a seamless handover.

London, UB5 | 07535530115 | TyreseM.xunn@gmail.com | [linkedin.com/in/tyrese-xunn-morgan](https://www.linkedin.com/in/tyrese-xunn-morgan) | github.com/Rexunn

The Crown | Front of House Team Member | London (06/2023 – 09/2023)

- Managed guest rotation and service timing during peak capacity (200+ covers), balancing efficiency with customer care.
- Upheld strict hygiene standards by sanitizing dining areas and resetting tables promptly to maximize table turnover.
- Managed POS transactions and balanced cash floats with 100% accuracy.

Oxygen Free-jumping | Court Monitor | London (01/2022 – 07/2022)

- Enforced health and safety regulations across activity zones, conducting pre-opening equipment checks to mitigate injury risks.
- De-escalated conflicts between guests diplomatically to maintain a safe and compliant environment.

Railway Hotel Flaming Grill | Front of House Team Member | London (10/2021 – 12/2021)

- Delivered table service during the high-pressure Christmas peak season, effectively managing table turnover.
- Advised customers on allergen information and menu specifications to ensure safety compliance.

AR18 | Labourer | Uxbridge (06/2021 – 08/2021)

- Executed final-stage quality checks and packing for high-value furniture, ensuring zero damage in transit.
- Assisted in the operation of CNC laser cutting machinery, adhering to strict Health & Safety protocols.
